Scholarship Endowment of $15,000 Given

Donation of $7,000 Announced for Cottage

Donor of Latest Gift Requested That Name Be Kept Confidential

This Is To Be Used For Second Unit of Proposed Children's Village

$17,000.00 NOW ON HAND

Ralph S. Robinson, of Gastonia, Started Project With $10,000 Sum

A gift of $7,000.00 has been made to the Presbyterian Orphans' Home at Barium Springs for the construction of one unit of a proposed six-cottage children's village. This announcement was made in February by Jos. B. Johnston, superintendent, who said that he was not at liberty to reveal the name of the contributor and doubted if this permission would ever be given.

"In making the contribution," said Mr. Johnston, "the donor expressed a desire that the name and his locality never be made public, the main concern being that the contributor was in a position to make the donation."

This is the second contribution for the children's village that will one day be constructed to take care of boys and girls under ten years of age. The project was inaugurated last September when Ralph S. Robinson, of Gastonia, gave $10,000.00 for this purpose, one half of which was in memory of his uncle, the late D. M. Jones, of Gastonia, and the other $5,000.00 to be in honor of his aunt, Mrs. D. M. Jones who resides in Gastonia.

The first gift for furnishings for these new cottages also recently arrived, this being a $200.00 gift from Mrs. John S. Efird of Albemarle.

Construction of such a unit at the Presbyterian Orphans' Home is out of the question for some time because of the need of all material in the war effort, so the funds which are being contributed for buildings are partially being invested in defense bonds until conditions warrant the use of the gifts.

These two gifts of $10,000.00 and $7,000.00 have been made to

Good News

Add Hephzibah Sunday School, in Kings Mounutain Presbytery, to the several hundred Sunday Schools in the North Carolina Synod that devote an offering each month to the cause at Barium Springs. Hephzibah adopted this plan in February, and sent the initial report this month. This was good news to Barium officials and will be good news to every Sunday School which has the happy experience of doing something for this Home systematically and regularly.

It is interesting that, of the nine Presbyteries, the greatest percentage of Sunday Schools following this plan is in Kings Mountain Presbytery.

184 Churches Already Ahead of '40-'41 Sums

This Was Achieved In Ten Months.—Many Others Will "Go Over the Top"

Through January 31st, 184 churches or mission points in the North Carolina Synod had given as much, or more, to Barium Springs than in the full 12 months of 1940-1941. This was a distinction for these churches, since only 10 months of the current year had passed. This deals with the regular and Thanksgiving Offerings, which go in the support fund, and does not include the clothing fund money which is kept in a separate category.

Albemarle Presbytery was credited with seven churches; Concord had 17; Fayetteville, 38; Granville, 16; Kings Mountain, 11; Mecklenburg, 39; Orange, 20; Wilmington, 19, and Winston-Salem, 17.

Other churches will achieve this feat in 11 months and will appear in the March copy of the paper, but the 184 already up to, or beyond, last year's aggregates are as follows:

False Claims Being Made Once More By Magazine Solicitors

One Recent Operator Has Been In Gastonia, Claiming to Be Barium Graduate

ANNUAL OCCURRENCE

Mr. Johnston Warns Against Any Solicitor Advancing Such Claim

Solicitation of magazine subscriptions under false pretense is again in progress in North Carolina, the latest imposter being an individual who goes by the name of Ralph Cannon, and who says that he is obtaining subscriptions for the Union Circulation Co., of New York, whose representatives have invariably been the users of false claims.

The said Cannon has been operating in the Gastonia area, this having been called to the attention of the officials of the Presbyterian Orphans' Home in a telephone call late Monday afternoon, February 9th. Suspicions of Gastonia people were aroused when the solicitor referred to the Barium Springs' superintendent as Mr. Jackson instead of Jos. B. Johnston, the actual superintendent. He claimed to be a graduate of Barium Springs and said that he was working for a $250.00 scholarship prize.

"He is not a graduate of Barium Springs," said Mr. Johnston, the

Annual Health Clinic Held Here In January

The mid-winter health clinic is over and most of the operations recommended have been performed and now we are all set for another year. The health examinations for the last three years have shown a steady improvement in the general health of the children. There were fewer tonsilectomies needed this year than in any previous year. During the year we have had epidemics of chickenpox and roseola. The big bad wolves such as whooping cough, measles and scarlet fever have stayed away from our doors.

We have had plenty of apples and plenty of peaches and they have helped keep the doctors away.

In spite of all these favorable symptoms, the gain in weight for all of the children was not as great as in some former years. It didn't come up to 1940 by a good deal and we are already taking steps to find the cause of that and we believe we have located part of it anyway. The children who failed to gain in weight were, for the most part, first and second graders - the long school hours, we believe, had something to do with it. We are now arranging for these youngsters to cut down on their school time an hour and have this much time for an afternoon rest period. It has already commenced to show results.

To explain our situation here: Before we became part of the state school system half of the children went to school in the morning and half in the afternoon. The lower grades went in the morning and they had ample opportunity for a good long rest period in the afternoon. Since we have gone into the state system

Thanksgiving Peaks

Five more churches or mission points sent Thanksgiving Offering reports in February to establish new all-time peaks in their Thanksgiving remembrances to Barium Springs, bringing the total to 88. It will be remembered that the January copy of The Messenger listed 83 achieving this. There may still be others, for all reports have not yet been filed with the treasurer at Barium Springs, and some other churches will have supplementary gifts.

Brownson Memorial in Fayetteville Presbytery; Belmont, Dixon School and Kings Mountain First in Kings Mountain Presbytery, and Albemarle Second in Mecklenburg were the five names to be added to the roster appearing last month.

Second Announcement Made of $100 Members

44 Sunday Schools Were In the Club On Jan. 31.—More Next Month

The $100.00 Sunday School membership increased to 44 in January, as six others reached the minimum sum to give them classification in this grouping. Those six were Cherryville, Fayetteville First, Highland, New Bern, Paw Creek and Thyatira.

Due to an error, Huntersville Sunday School was omitted from the first list appearing in the January copy of the paper, for there were only 35 Sunday Schools recorded in the tabulations, whereas the lead of the article had said there were 36.

All 44 and the amounts that had been received at Barium Springs through January 31st are as follows:

Sunday School	Amount
Myers Park	$669.73
Albemarle First	467.84
Winston-Salem First	396.83
Salisbury First	387.52

Donation by Mrs. M. L. Ellis, of Greensboro, In Husband's Memory

Gift Will Be Known As The "Morris Leon Ellis Endowment Scholarship Fund"

FIRST OF KIND

Income Will Be Used for Barium Boys and Girls Who Go to College

The sum of $15,000.00, to be known as the Morris Leon Ellis Scholarship Endowment, has been given to the Presbyterian Orphans' Home by Mrs. M. Leon Ellis, of Greensboro, in memory of her husband, the late Morris Leon Ellis. Announcement of this contribution was made in February by Jos. B. Johnston, superintendent of the Presbyterian Orphans' Home, after a conference with Mrs. Ellis as to her wishes regarding the $15,000.00 that had been sent to Barium Springs in the early part of January.

Income from this scholarship endowment fund is to be used in financing the education of the graduates of Barium Springs who go to college. It means that this $15,000.00 is in the process of being invested, giving an annual return which is specifically labeled for college education purposes and which will be kept as a separate income item from the regular endowment of the institution.

Financing the college education of Barium boys and girls has largely been through a loan fund which has been built up through private contributions and which becomes available to other students as the borrowers repay these funds. In recent years, however, there have been no substantially large contributions for the loan fund, and the re-payments have not kept abreast of the needs of those desiring to get a college education. The Young People's Societies of the North Carolina Synod have also assisted in educating Barium graduates through a college gift fund that is annually raised.

In a letter to Mr. Johnston prior to his conference with Mrs. Ellis she had intimated that this thought was in her mind regarding the gift, desiring that it become a permanent part of the Home in memory of her husband. In definitely deciding to use the fund in this manner, she voiced a hope that other people would add to it, and that a sufficiently large endowment for college education purposes to take care of all needs would be built up in the future.

During Mr. Ellis' lifetime, he and Mrs. Ellis attended services in the First Presbyterian Church in Greensboro when Mr. Johnston, the Barium Springs' superintendent, annually spoke from the pul-

Increase In Clothing Funds Asked

Due to the advance in prices of clothing, we are having to ask our friends for a small increase in their gifts to this fund. Heretofore we have been asking $30.00 per year per child payable $15.00 in March and $15.00 in September. Now we are asking for $35.00 per year per child payable $17.50 in March and $17.50 in September. We regret that this step is necessary, but the $30.00 does not cover the cost of clothing for a child now.

(FORM OF BEQUEST)

"I give and bequeath to the REGENTS OF THE ORPHANS' HOME OF THE PRESBYTERIAN SYNOD OF NORTH CAROLINA, *Incorporated Under the laws of the state of North Carolina.* (HERE NAME THE BEQUEST.)

The Thanksgiving season is long since passed, but that doesn't mean that friends must wait until another Thanksgiving season to help take care of the large family at Barium Springs. Gifts are cordially welcomed any day of any month of any year.

Our constant thoughts are with those many boys of Barium Springs who are serving Uncle Sam in the various branches of the service. The Messenger of January announced 54 names already aligned with the forces, but a good many others have entered during the latter days of January and in February.

Public thanks are being expressed to those Presbytery chairmen, to local committee chairmen and to the members of local committees who emphasized the 1941 Thanksgiving Offering for Barium Springs. The results of their energies are being reflected in the Thanksgiving sums that have been arriving.

Congratulations to those 88 churches giving their best Thanksgiving Offering in 17 years. Also, thanks a million for the stimulating effect they have had on everybody at Barium Springs. There will probably be a few others going "over the top" before the books are closed on March 31st. If so, those churches can now consider that felicitations have been offered to them, too.

Inroads will be made during the coming months into the number of people favoring us with visits, because of the tire shortage. We'll miss seeing you at Barium Springs, but we certainly will understand why you aren't coming to see us. Something over 2,000 visitors were coming annually, but this will be considerably curtailed during the duration of the conflict. These frequent treks will be resumed later.

It won't be long before the celebration of our 50th birthday will be history, for the period of 1941-1942 is devoted to this important milestone in the history of the Home. Already there have been many imposing events to transpire to result in encouragement and gratification, and it is hoped that other things will happen between now and March 31st to make 1941-1942 one of the greatest - if not the greatest - in 50 years.

Do you remember the facts on the folder that was used in the Thanksgiving season? To refresh your memory, 2,034 children received the nurture and care of the Home during the first 50 years of its existence, these children representing a total of over 12,000 years of care. You ought to be mighty proud that Barium Springs has been a haven for so many children for so many years and that your gifts have helped make this possible.

We're joining a host of others in expressing gladness that the Thanksgiving Day of the future will always be on the last Thursday in November. We were affected by the moving up only one year - that of last Thanksgiving. We believe that if Thanksgiving Day of 1941 had been on the final Thursday that the annual Thanksgiving Offering for our Home would have been even better than it was. It panned out that this was a lot of confusion for nothing.

Memorial contributions to Barium Springs had totaled $1,533.35 in 10 months, which is almost as great as the $1,592.75 which was received in all 12 months of 1940-1941. It is remembered, too, that the $1,592.75 included a $500.00 memorial gift, whereas the aggregate through January 31st did not have a sum larger than $50.00 in it. Many loved ones and friends are being appropriately honored in the memorial contributions that are coming to us.

Barring drastic reductions in receipts in February and March, the Synod of North Carolina is going to be able to boast of an increase in its giving to Barium Springs during 1941-1942. This was anticipated in planning a budget last April, for the Regents increased the expectancy from Synod $3,500.00 over that which was given in 1940-1941. With the way prices have sky-rocketed, all of the increase possible is going to be extremely useful to the Home.

We had the annual health check-up in January - every child coming under the scrutiny of our doctor. Elsewhere in the paper you will find some of the results of this health clinic. No deaths in the family during the calendar year of 1941! That has become a trite statement for a good many years, for there hasn't been a death among this family of children since June of 1933. Furthermore, there hasn't been but one death in the family since July of 1926. Again, we offer thanks to the Heavenly Father for His watchful care over our children.

We are mighty proud that $17,000.00 has been contributed toward another building project at Barium Springs - $10,000.00 from one individual and $7,000.00 from another. We aren't forgetting those individuals responsible for four gifts that aggregated $36,000.00 and the Synodical for approximately $12,000.00 for five buildings that were constructed at Barium this past spring and summer. Also, we are remembering that $4,075.00 was contributed for furnishings in the quadrangle without solicitation from Barium Springs, $500.00 for shrubbery and beautification, and that a $200.00 sum has already arrived for furnishings for the children's village.

One of these days we hope that all windows in Little Joe's Church will be stained glass. Friends have been responsibe for three windows already in place and two sums of $100.00 each have been contributed for two of the four side windows. Two more $100.00 contributions and two $400.00 gifts would enable us to place an order for all of the windows in the main body of the church. The only two which would not be stained glass would be those in each lobby. Even though a new church might one day be constructed, the present building would remain and be known as Little Joe's Chapel, being used for prayer meeting and for the Young People's Leagues.

It is regretted that circumstances have caused an increase in the clothing fund money requirements from $30.00 a year to $35.00. For two or three years the $30.00 annually contributed for a child's clothes and shoes has not been enough, but the difference had been made up from the regular operating fund. Even the $35.00 may not be sufficient now with the cost of clothing and shoes advancing so rapidly. Those individuals and organizations helping in this phase of the work at Barium Springs will understand the necessities that have caused this increase that begins this spring. It will be $2.50 more in March and $2.50 more in September than formerly.

This month's Messenger announces a $15,000.00 endowment scholarship fund for boys and girls of Barium Spprings who go to college. Only the income will be used and down through the years there will be many children participating in the fund. This is the beginning of what may one day be a substantial endowment for higher education. Barium Springs has never had such a fund, as have other similar Homes, and we rejoice that it was in the heart of Mrs. Ellis to honor her husband in such a distinctive and perpetual manner. Gifts of private individuals for a loan fund to Barium boys and girls have largely been the means whereby the education of the college students has been financed.

Believe it or not, there was approximately $2,700.00 of 1941 Thanksgiving Offering still outstanding on February 28th. A few hundred of this is in the form of pledges which will be paid and remitted to Barium Springs by the end of the church year, but the majority was still in the hands of treasurers who had not dispatched the offering to our Home. Some treasurers are delaying, hoping that the final response will be increased by belated contributions. Our preference would be, though, that the treasurers send what they have as soon as possible, supplementing the offering with another check or checks later on. We keep crediting Thanksgiving Offering on our books until the church year has been concluded.

We can't buy the series E defense bond that is available for private individuals, but if you want to help the government and also make a contribution to Barium Springs, send us the money with the request that a defense bond be purchased. We will carry out your wish and invest in either the Series F or Series G bond which is available to corporations. We aren't suggesting here that a curtailment in the regular support be made, but the suggestion is offered to anyone who wants to make a gift over and above what they have regularly been doing for the Home. Since the bonds are not transferrable, the purchase would have to be made in the name of the Home; hence the suggestion that the money be sent to Barium Springs instead of the bond.

Aren't there some other Sunday Schools in the Synod that can adopt the Offering-per-month plan? Or, aren't there some Bible Classes that can put Barium Springs in their budgets for specific monthly amounts? There have been a good many Sunday Schools and Bible Classes joining others in recent years. That's clearly indicated by the fact that the regular gifts from Sunday Schools and Bible Classes seven or eight years ago was a little over $13,000.00, while it is going to be very close to $21,000.00 for 1941-1942. That will be a new all-time peak in the regular gifts from this source. If you want to have more money in the Sunday School treasury, try this plan. It usually works out advantageously, both for Barium Springs and for the group assisting.

News From Some of the Cottages At Barium Springs

INFIRMARY

Hello Friends,

We are here again to bring you the news of the Infirmary.

We have had very few sick and we hope to keep this record. We have seven cases of chicken pox, but they will return to their cottages by Saturday.

We were very glad to have one of our old Barium boys, A. J. Potter, on the campus yesterday to visit the sick children. He was the Infirmary boy when he stayed here.

We had Shirley, Charles and Robert Lee Hall to come and live with us. We hope they will feel at home, just as we do.

Basketball is in full swing and we enjoy it. We played Statesville last night with grand victories. The scores were (girls) 35 to 31, and (boys) 44 to 25. We only have two more games in which we hope to win. We are going to the Orphanage tournament at Lexington Friday. We play both teams from Mills Home and are hoping to win.

February 19-23 we are going to have the Mid-Piedmont basketball Tournament here, in which our players will sponsor.

Beulah Baldwin had a visit from her sisters Thursday. She was very glad to see them. Come again sometime.

We will be signing off until next time, so look for us then, because we will be on the air.

—Beulah Baldwin.

RUMPLE HALL

Dear Readers,

It seems only a short time since we wrote you, but it really has been several months.

We have quite a few girls in the seventh grade going out for basketball. They surely can play along with the girls from the Woman's Building. They are Marion Coffey, Toni DeLancey, Ida Bell Dunn, Blanche Fiemster, Hannah Price, Helen Hawley, Miriam Huddleston, Frances Bowles, Mary Frances Isenhour and Lee Vinson.

The following girls have bought defense stamps, and hope to add to them from time to time: Ida Bell Dunn, Hannah Price, Lucile Stricklin, Blanche Fiemster, Eleanor Pope, Elizabeth Langley, Betty Mae Traywick, Mary Frances Isenhour, Helen Hawley, Jean McDonald, Gilda and Gloria Whitfield, Miriam Huddleston, Dorothy Maples and Marion Coffey. Miriam has a "defense hair cut", also. This is a short bob with bangs, and will need no bobby pins.

If there is anything we like at Rumple Hall, it is getting mail and lots of it - quite a few girls got valentines today. We always ask for mail the first thing when we come up from work in the afternoons.

Someone sent us two nice Carrom Boards since Christmas. We are enjoying them very much.

Signing off until next time.

—Hannah Price
—Lee Vinson.

HOWARD COTTAGE

Hi Folks,

This is Howard girls back with you again.

Some of our girls are buying defense savings stamps.

We went to the show to see "Tom Sawyer", and it was a really good picture.

Some of our girls had visits from their people. They were Annie Star Langley Gwendolyn Landrum, Joyce Katen, Vivian Jacumin and Ernestine Baldwin. We are always glad to have people visit us.

The girls who got show tickets for the past month were Frances Adams, Aline Parham and Helen Vinson. We are always glad to have our girls get them.

All of us want to thank Mrs. Matheson for the nice books she sent us. We enjoy reading them very much.

We have had several basketball games here and we enjoy them very much, too.

Miss Burgess, our matron, has been away for the week-end, but she is back with us again now.

Well, folks, we will be back with you again next month. So look out for us.

—The Bean Stringers.

WALLACE COTTAGE

Here we are again with the news of our cottage. A lot has happened since we wrote you last.

We had a big snow for about five days. We enjoyed it very much. We all went sleigh riding.

Our boys have played four games in basketball. We won three and lost one.

We want to thank all the nice people all over the state for making our Christmas such a happy one. All of us got over our share of gifts. We appreciated them very much.

SYNOD'S

Since we last wrote to you, we have had a nice big snow. We had such a fine time playing in it. One of our boys had a sleigh and we took turns riding it.

Basketball games are on now, and we surely do enjoy going to them.

We went to Statesville to see the picture "Virginia" last Saturday. It was such a good picture. The little girl in it was so funny.

We have two new boys at our cottage, Charles and Robert Lee Hall. They are getting along just fine and seem to like to stay with us.

Fred Feimster had his tonsils out at the Davis Hospital. His throat was sore when he came back to the cottage, but he is feeling fine now.

We are all working real hard in School to see who can make the honor roll. —The Wigglers.

WOMAN'S BUILDING

For weeks now we have been concentrating all our energies toward a successful basketball season. Both the varsity and junior teams are made up, in most part, from our dormitory. All of our spare time is spent in practice. We are especially proud of our boys' varsity record—only one conference game lost. All of the games have been very close and therefore intensely interesting. Everyone turns out to support our teams—from the smallest to the oldest. Wrestling matches have been particularly successful. We hope to win some honors at the state meet.

The Glee Club has enjoyed several delightful trips this term. The last was an evening performance at Thomasville. The people were very pleasant, making it an occasion that we shall remember for a long time.

Last week, February 5, Miss Yates from the Statesville City Schools visited us. She was the special guest of The Virginia Hall Circle, but all of us were invited. She spoke to us on missions, especially about her own field and home, China. She was a most delightful and inspiring speaker and we are deeply in her debt for an interesting as well as helpful evening. The children of the public schools in Statesville are most fortunate to have her as Bible teacher.

As we look forward to the next few weeks our schedule seems so full that we wonder how we will ever find time to do everything. We know, however, that each task and each pleasure will fall into its place when the time comes.

In our next issue we will tell you how we rank in the various tournaments scheduled for the next two weeks.

BABY COTTAGE
First Floor

Here it is time to write to you all again.

Since we wrote you last we have had quite a few cases of chicken pox. The following baby boys have it: Billy Burke, Richard Vest and Donnie and Jimmie Campbell. We hope they will soon be well and back with us.

Basketball season is here, but we don't get to see many of the games because they are almost all at night.

We haven't had many visitors this month. Billy Burke had a visit from his mother and a friend, and Donnie and Jimmie Campbell

(Continued From Page Two)

had a visit from their sister and some friends.

Deryl Overcash and Betty Lou Williamson had their tonsils removed last week. Betty Lou is back with us now.

Our two little new boys, Frankie and Boyce Smith, seem to like living with us.

That's about all of the news for this time, so be looking for us next month. So long!

—The Baby Boys.

BABY COTTAGE
Second Floor

Here we are bringing you the news of the month.

Jackie Porterfield and Elizabeth Huddleston went to the Birthday table last month. They seemed to enjoy it because they gained some from it.

Four of our girls, Janie Smith, Louise and Barbara Bradshaw and Geraldine Kayton, enjoyed very much their visit from their people.

Last month we went to the show to see "Louisiana Purchase". We enjoyed it very much. Thank you, Mr. Sams.

We wish to thank Mrs. Mary

SYNOD	$4,540.12	$3,687.85	9 c	86 c

Kings Mountain and Fayetteville Presbyteries were the "big noises" in January's receipts at Barium Springs when those two Presbyteries had respective per capita averages of 20.2c and 20.1c. Thanksgiving Offerings naturally played a big part in the averages credited to those two in January, for Kings Mountain sent $932.05 of Thanksgiving Offering and $1,-796.74 of Thanksgiving response came from Fayetteville Presbytery.

It was another good month of receipts for Barium Springs, the January excess over that of January, 1941, being $1,750.98 - $846.30 more of regular receipts and $904.68 in the Thanksgiving Offering. The grand total welcomed from Synod in January was $8,-227.97 - $4,540.12 of regular gifts and $3,687.85 of Thanksgiving Offering.

For the 10 months that have gone by the regular month-by-month contributions have shown a gain of $3,726.13, and the Thanksgiving Offering $1,567.30, these two making a combined advance of $5,293.43.

However, this Thanksgiving Offering gain does not mean that the final aggregate of the special response will be that much greater than in 1940. It simply means that the Thanksgiving Offering has reached Barium a little earlier than in the previous year, for nothing has altered an estimated Thanksgiving increase of approximately $1,000.00 when the year is over.

The 1941 Thanksgiving total was still $1,527.36 away from the final of 1940, but reports had arrived in the early days of February to cut this difference down to $797.27, which will be reflected at the end of February. Two more Presbyteries went beyond last year's Thanksgiving Offerings, for Kings Mountain and Wilmington are now with Albemarle, Concord and Granville. Increases for each Presbytery were Granville, $604.68; Concord, $567.19; Kings Mountain, $281.43; Albemarle, $159.66, and Wilmington, $52.25. On the minus side were Orange with $1,973.82; Mecklenburg, $583.07; Winston-Salem, $339.91, and Fayetteville, $305.77. It is still felt that Fayetteville and Mecklenburg will exceed their 1940 Thanksgiving Offering totals.

Here is the way the Thanksgiving Offering at the close of January compared with the final for 1940:

Presbytery	Through Jan. 1942	1940 Final
Albemarle	$ 1,831.68	$ 1,672.02
Concord	10,288.13	9,720.94
Fayetteville	3 332.72	3,638.49
Granville	3,241.49	2,636.81
Kings Mountain	4,134.97	3,853.54
Mecklenburg	10,040.53	10,623.60
Orange	6,210.02	8,183.84
Wilmington	1,923.04	1,870.79
Winston-Salem	3,138.80	3,478.71
TOTALS	$44,141.38	$45,678.74

From whence has come that regular increase of $3,726.13? The records show that Church budget giving has been responsible for the larger portion of $1,-561.40; that the Auxiliaries had sent $1,263.44 more, and that the Sunday Schools were $901.29 ahead of their giving in January of 1941.

For the grand total of regular receipts of $34,375.28, the Sunday Schools had forwarded 45.1%, or $15,492.76; the Church budgets had allotted 34.5%, or $11,855.16, and the Auxiliaries had dispatched $7,027.36, which was 20.4% of the aggregate. The breakdown on these regular amounts is as follows:

Presbytery	Ch.	S. S.	Aux
Albemarle	$ 264.07	$ 869.80	$ 922.78
Concord	1,852.20	2,602.55	834.33
Fayetteville	1,262.00	2,415.72	692.54
Granville	495.95	645.79	655.72
Kings Mountain	320.51	1,886.55	750.82
Mecklenburg	4,106.25	9,367.54	1,146.52
Orange	1,072.25	1,863.22	1,178.99
Wilmington	1,203.92	961.79	387.84
Winston-Salem	1,278.01	879.80	462.82
TOTALS	$11,855.16	$15,492.76	$7,027.36

Kings Mountain and Fayetteville Presbyteries both bettered their standings in January because of their large reports. Kings Mountain now ranks in second place behind Concord Presbytery, which continues to be the leader. This meant that Winston-Salem Presbytery was shoved down to the third place slot. Fayetteville was able to leave the cellar position, going up to eighth and letting Wilmington Presbytery take the last berth in the standing.

Barium Ties For 2nd In State Mat Tourney

Salisbury Won With 24 Points. Barium and Greensboro Had 21 Apiece

Salisbury high proved to be the dark horse of the 1942 state wrestling meet at Chapel Hill on February 9th and 10th, taking the state crown which had been jointly worn by Greensboro and Barium Springs. Salisbury did the trick by garnering 24 points while the best that Barium and Greensboro could amass were 21 points apiece to tie for second place.

Three of the nine individual championships, however, go to Barium Springs' boys, for Blake, Beshears and Lindsey were final winners in their respective weights of 98, 155 and 175. Barium placed two others in the finals, but these two, Hawley and McCall, were defeated.

Here is the performance of the Barium boys throughout the meet:

98-pound class—Blake won referee's decision over Joyce, Greensboro, and Baine, of Salisbury.

108—Baldwin was decisioned by Stroud, Lexington.

115—Hawley won a decision over Smith, Lenoir, and threw McMahon, High Point, but lost on decision to Bruton, Greensboro, in the finals.

125—Billings lost decision to J. Barringer, Salisbury.

135—Carter was thrown by C. Barringer, Salisbury.

145—McCall threw Robon, Salisbury, but lost decision to Sewell, Greensboro.

155—Beshears decisioned Chapman, High Point, and Lentz, Salisbury.

165—Parrish lost decision to Anthony, Greensboro.

175—Lindsey threw Price, Salisbury, and decisioned Curtis, Lexington.

Donation of $7,000 Announced

(Continued From Page One)

Barium Springs during its semi-centennial year of 1941-1942. During this one-year period of celebration, a quadrangle of four cottages were built and furnished with contributions of over $46,-000.00. The ladies of the North Carolina Synodical gave one building, and private individuals gave $10,000.00 each for the others. Also in this year, a $6,000.00 gift made possible the erection of a printing office and shoe shop building.

The cost of the units for the children's village is estimated to be in the neighborhood of $7,-000.00 each, whereas the high school boys' village built this summer was a little over $10,000.00 per cottage.

False Claims Being Made

(Continued From Page One)

superintendent, "and none of those magazine solicitors operating under such claims in the past two or three years in Greensboro, Mount Holly, Gastonia, North Wilkesboro, Warsaw, Staunton, Va., or Due West, S. C. have been graduates of the Home here." Mr. Johnston went on to say that complaints from those many localities had all been made since April of 1940, and in prior years similar tactics had been called to his attention by people in Tarboro, Morehead City, New Bern and Clinton.

"Almost without exception," said the superintendent, "these people have been connected with the Union Circulation Company, 5 Columbus Circle, New York City, and the firm has been written repeatedly regarding the practices which its employees are following to increase their earnings. Simply because the solicitor claims to be a graduate of this Home, subscriptions are oftentimes given because the imposter plays upon the sympathies."

Mr. Johnston went on to repeat what is annually reported in a news article to the effect that no graduate of Barium Springs has ever been authorized to solicit magazines upon the grounds that he was a graduate, and so far as he knows, no graduate of the Presbyterian Orphans' Home has ever become a magazine solicitor of any kind whatsoever. He went on to say that the Union Circulation Company has bona fide representatives, but he warned all citizens of North Carolina to beware of any solicitor claiming to be a Barium Springs graduate.

Home Ec. Department Entertains And Works

The high school students and all the workers celebrated New Year's Eve by attending a service at the church at 8:30 o'clock given by a group of the Young People's League. After the service everyone went to the gym where games were directed by Misses Carpenter, Bell and Straughn. Refreshments were served by members of the first-year class of the home economics department. Just before midnight everyone went to the church for a watch-night service conducted by our pastor, Mr. Cook.

The girls in all three home economics classes have been busy since Christmas working on dresses for the Cotton Dress Contest which is to be held in Statesville February 17. Some very attractive dresses are being made. Last year one of our girls, Margaret Presnell, won in the Statesville contest, in the state contest and was sent to Washington, D. C., to compete in the national contest. She received honorable mention in Washington and all of the Barium Springs people were very proud of her. While it seems too much to hope for this honor to come to us for a second time, we are looking forward to the contest.

Alumni News

ENGAGEMENTS.

Stone-Summers.

At a party in Statesville in January at the home of Mrs. Willard Thompson, the former Bernice Stone, announcement was made of the engagement of her sister, Joy Stone, to James Thomas Summers, also of Statesville, who is now in the Naval Reserve and is stationed at Philadelphia. The wedding is to take place in the spring. Alumni attending the announcement party included Irene Fort, of Statesville, and Nellie Johnson and Mrs. Ralph Spencer (formerly Bobby Marlowe), of Barium Springs. The bride-elect finished here in 1935.

Barnhill-Wilson

Mr. and Mrs. John Webster Wilson, of Linwood, have announced the engagement of their daughter, Mavis, to Lieut. George Dewey Barnhill, U. S. Army Air Corps. Dewey finished at Barium Springs in 1936, and after completing his education at Appalachian, he entered the air service of Uncle Sam. It is not known exactly where he is stationed at the present time, though when last information was received from him he was on the west coast.

BIRTHS.

Mr. and Mrs. Roy Williams, 614 Boylan Ave., Raleigh, announce the birth of a son, Daniel Thomas, on January 17, 1942. Mrs. Williams is the former Margaret Moore.

Mr. and Mrs. Robert Reavis, South Tradd Street, Statesville, announce the birth of a son on February 12, 1942. Robert is an alumnus of Barium. They have one other son.

Mr. and Mrs. P. M. Bender, of 114 Kennedy St., Fayetteville, announce the birth of a son, Burris Milton Bender, Jr., on February 2, 1942. Mrs. Bender is the former Nellie Culp.

PERSONALS

We were in error last month in saying that Laura Smith was connected with the Juvenile Relief Home at Winston-Salem. Our mistake was called to our attention by Louise Martin, who is the only Barium girl connected with that Home at the present time.

Mrs. Louise McMillan Pendergraft and Mrs. Elmer Roderick Proctor, both alumni of Barium who live in Chapel Hill, were hostesses to the Barium Springs' wrestling team following its participation in the finals at Chapel Hill on February 10th. They arranged a dinner for the boys after the meet was over that night, meaning that it was necessary to serve about 10 o'clock. They knew from former experiences, though, the approximate hour and were ready with the dinner when the boys trouped in. They were a wide-awake group coming back to Barium Springs, for most of them generously drank coffee, a beverage which they do not usually have at Barium unless they have reached the senior class.

Notice Treasurers

All treasurers of Churches, Sunday Schools and Auxiliaries are urged to place the final checks for the Orphanage in the mail not later than the morning of March 30 so that the contributions can reach the Orphanage on March 31st, the date when the 1941-1942 fiscal year ends. It may be impossible for some few checks to reach the institution by the 31st, so the receipt books will be open a few days to receive these. However, it is hoped that the majority of the funds will be received by the closing date, and that final receipts the early part of April will constitute only a small part of the income for the Loyalty Month.

pit during the Thanksgiving season. It was a comment which Mr. Ellis made the last time he heard Mr. Johnston that led Mrs. Ellis to make this donation in his honor. She voluntarily revealed this in a letter to Mr. Johnston as follows:

"For the past several years my husband and I have heard your fine talks when you came to our morning service. After each of these my husband remarked concerning the fine constructive work you were doing with underprivileged children. The last time we heard you he said, 'That institution is turning out fine worthwhile citizens.'

"Remembering that, and realizing that when we have won this war, the biggest job is still ahead of us, I felt that an investment in citizenship was as much a patriotic duty as helping to provide war materials.

"I also felt that no more satisfying memorial to my husband, who was always so interested in helping anyone in need, and particularly children, could be established. When you come I will be interested to talk with you. My only desire regarding the way the fund is used is that all or part of it may become a permanent part of your institution as a memorial to my husband. I had thought of a loan fund for further education when boys and girls are ready to leave Barium."

Bernardo of Charlotte, for the cookies she brought us today.

Tomorrow we will have a new little girl, Shirley Hall, come to live with us. We hope she will enjoy being our little sister.

Barbara and Louise Bradshaw and Patsy Dean have the chicken pox. We hope they will soon be back to live with us.

We have been staying in the house all this past month because of the cold weather. We hope it will soon be warm enough for us to go out.

Hoping to see you next month with some more news.

the children go to school until 3 o'clock in the afternoon. This has meant a decided improvement in the high school studies and in most of the grammar grade work, and it only shows up as a hardship for the primary grades - the hours seem just too long for their physical well being.

This year we had a larger number of newcomers than usual and a much larger number of seniors. The newcomers nearly all needed something special done for them, but the seniors didn't need anything except a pat on the back. One of the eleventh grade boys lead the procession in gain of weight. Joe Long has that distinction this year. His gain was 25 pounds and he is still growing.

The health examination, as usual, included a tubercular examination, weighing up, measuring and a general check-up by Dr. Herman, with special examinations by Dr. Clayton. It's a rather busy week from January 5th through the 10th, but it pays big dividends.
